# Programming Updates

## Community Room

Community room had allowed a set amount of groups (Zumba, Salsa, and non-profits) to use either the patio space or the conference room of the Community Resource Building. As well as the Pardall Center and St. George's Youth Center.

Revisiting contracts and insurance for independent contractors so all is set before the pilot period of the Community Center.

Zumba and Salsa classes have been cancelled until the appropriate insurance and contracts are in place to protect IVCS, IVYP, and the independent contractors.

After all changes are in place, the community room will have new flooring and kitchen area that will allow for added storage.

Family Literacy Programming will be brought back to the IV Community Room in 2020.
