

SUSTAINABLE MOVE-OUT TIPS

1: START EARLY

Week 1:

1. Go through pantry/ fridge, cleaners, plastic wraps, tin foil
2. Bigger pieces of furniture: make a plan
 - a. Store
 - b. Sell
 - c. Donate
3. Gather personal belongings around house that aren't in your room
4. Go through cleaners, plastic wraps, tin foil
5. Separate dishes between roommates

Week 2:

Picture this: Things are packed, plans are made, you have a suitcase with only what you need to survive with the next week or two.. but second week is focused on **cleaning** your apartment and **repairing** to get security deposit back

Wash and save your trash cans, clothes hangers, cleaning supplies, mops, brooms (stuff like that adds up when moving in and buying everything new)

Fun Ideas:

- Frozen food tapas party
- Clothing swap with friends

Use **reduce reuse recycle** (in order of importance) method when deciding what to do with unwanted items
