

[DISTRICT LETTERHEAD OR LOGO]

Dear Property Owner/Property Manager,

This letter is to inform you that the Isla Vista Community Service District has begun implementing a graffiti abatement program within the boundaries of the District. The District recognizes the graffiti problem that Isla Vista faces, and the negative impact graffiti can have on the community as a whole. As such, the District will be implementing Phase 1 of its Graffiti Abatement Program, to include the following:

1. Abatement of graffiti on the public right-of-way at the District's expense;
2. Abatement of graffiti on private property immediately adjacent to the public right-of-way (e.g., fences and walls) at the District's expense;
3. The option for voluntary consent for abatement of graffiti on private property at the owner's expense;
4. The issuance of courtesy Notices of Violation to property owners with graffiti visible from the public right-of-way to encourage private abatement at private expense.

Phase 1 of the District's Graffiti Abatement Program will begin approximately thirty (30) calendar days after the date of this Notice. If you have identified graffiti on the public right-of-way or on private property which is visible from the public right-of-way, or if you have any questions regarding the District's Graffiti Abatement Program, please contact the District at (805) 770-2752.

If your property contains graffiti visible from the public right-of-way, please contact the District in order to arrange a voluntary abatement of the graffiti.

Thank you,

Isla Vista
Community Service District
