Fees + Policies

As we continue to grow and adapt, we remain committed to keeping our spaces as accessible as possible while also accommodating the increasing demand. To achieve this balance, we are introducing a new pricing structure that supports both accessibility and sustainability in maintaining these valuable resources.

KEY CHANGES:

Updated Pricing Structure: Community spaces will remain extremely low-cost, and in some cases, free. The pricing is based on time and accessibility. Accessible events open to the public will benefit from lower costs. Non-prime times will be available at extremely low costs or even free on occasion.

Sliding Scale Payment Options: For Isla Vista residents who qualify and apply, sliding scale payment options are available to ensure continued access to our spaces.

Pricing Guidelines

Pricing is based on time and accessibility, with prime times and private events being priced higher than slow times and public events.

Events should be free or low-cost if they:

- Provide high community benefit or
- Are open to the public or
- Occur during non-prime times

Events incur a higher fee if they:

- Are closed to the public or
- Occur during prime times or
- Generate a private revenue

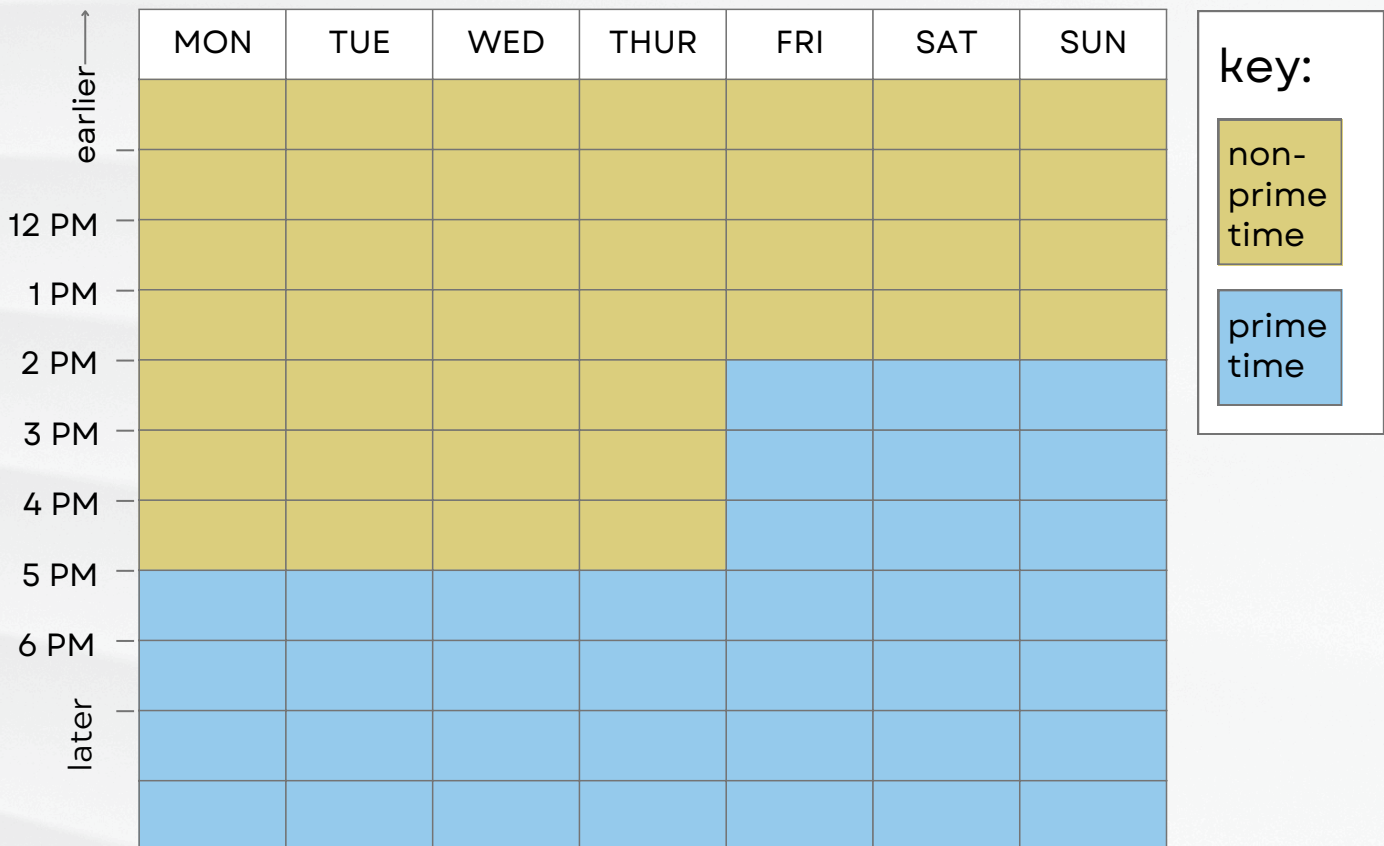

Prime Time Slots

To keep your event low/no cost, choose a non-prime time. Prime times are periods of highest demand at the Community Spaces.

Prime Time Slots:

- Friday - Sunday: From 12 pm - 12am
