Accepts the following materials from South Coast and Santa Ynez Valley residents for free: automotive batteries, large appliances (white goods), audio and video tapes, holiday lights, compact and digital video disks, and all types of household electronics and small appliances.

Reporting Waste

If you see graffiti, vandalism, dim/dead street lights, obstructions to the public right of way, abandoned bikes, and public garbage, report it through the SeeClickFix App. <https://seeclickfix.com/isla-vista>. Reports made are handled by IV Beautiful. This is a free service and a tool to empower IV residents to create action in their community and improve its infrastructure.
