HIGHLIGHTS

- Greater amount of outreach being done outside of OSL groups in order to reach community members—Food Distribution, Children’s Center, etc
- Increased awareness about the room and how the reservation system works has made for smoother communication
- Planning for future programming and events in the community room
 - Computer Literacy Workshop
 - Women’s Self Defense

IMPROVEMENTS TO THE IVCR

■ Resource Wall

- Making sure we have resources available to all members that use the space
- “Happening this month”

■ Visibility

- Clarity on where the room is located
- Having it be a space people envision their events to be held

■ Furniture

- Moving storage from along the wall to the closet space
- Having the furniture itself be more inviting
