Report graffiti, vandalism, dim/out street lights, obstructions to the public right of way, and public garbage with the free SeeClickFix mobile app and website (seeclickfix.com/isla-vista). Isla Vista residents are able to provide IVCSO staff with pictures, videos, specific descriptions, and more – valuable information needed to get the job done efficiently. The SeeClickFix platform provides IVCSO officials with a centralized issue management system to manage issues from creation to resolution – engaging residents throughout the process.

isla vista beautiful is a work experience program of the Home For Good Santa Barbara County AmeriCorps Partnership For Veterans and People Experiencing Homelessness. This is a program of the United Way NSBC and is administered by CaliforniaVolunteers and sponsored by the Corporation for National and Community Service.
